Consultant

# Awareness and Outreach

**Be Air Smart School Sensor Program honored as a 2023 Finalist by TCEQ at the Environmental Excellence Awards**

**City of Austin Air Quality Week Proclamation**

**KXAN Interviews for Air Quality Awareness Week and for first Ozone Action Day of 2023**

**Annual Meteorologists Luncheon**

# Be Air Smart Sensor Program

We have monitors we can place any where in our region (from Waco to San Antonio), and CAPCOG has additional monitors they can place anywhere in their counties.

**If you want a monitor to place, let us know.**

(Can be placed in schools, YMCA's, Libraries, Partner Locations, but can't be placed in individual homes)
